**Business Managers Victoria Inc (BMV) is a growing professional association of over 900 members. We offer Education Support staff - who perform the Business, Administration, Finance or Personnel Management in Victorian Government Schools - the opportunity to be part of an Association in touch with the needs of its members.**

Our vision is to raise the profile of all Business Managers as business leaders in education, recognising their exceptional leadership, dedication and professionalism. BMV promotes the highest standards of school business practices through appropriate qualifications, ongoing professional learning and effective management of resources to improve student performance.

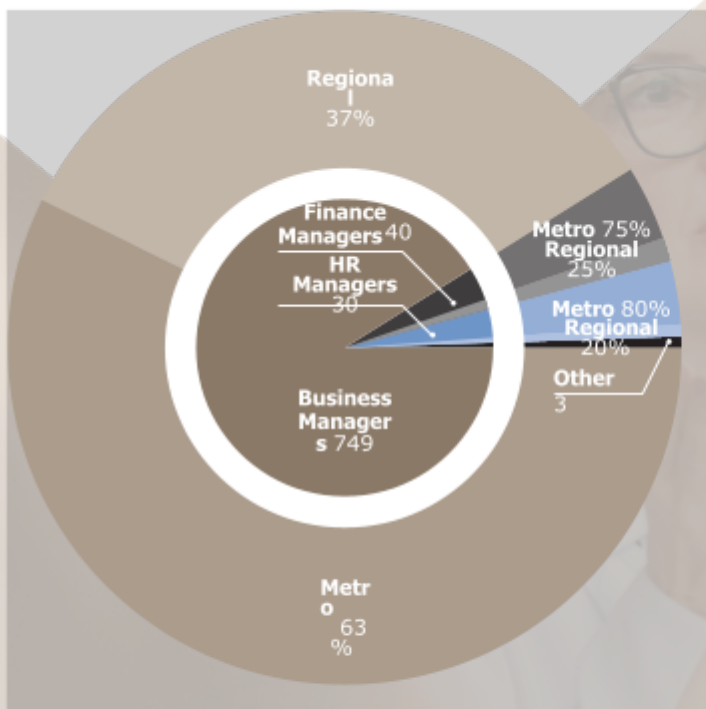

## BMV Goals

1. Raise awareness of the role and responsibilities of the Business Manager as professional school leaders
2. Increase and strengthen financial partnerships to support further professional growth
3. Develop and promote professional standards for school business leaders
4. Provide opportunities to participate in high level, structured and innovative professional learning opportunities

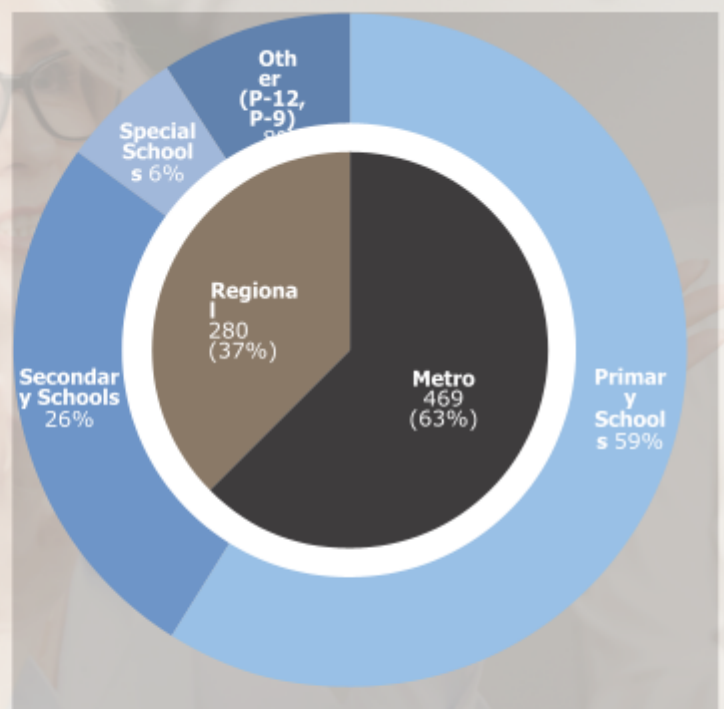

## BMV Member Profile

## Professional Practice

BMV is an affiliated member of the Australian School Business Leaders Association (ASBLA). We provide international collegiate networking opportunities as an affiliated member of the Association of School Business Officials International (ASBO USA and Canada). BMV has developed strong links with other professional bodies in the UK, New Zealand and Western Cape Education (South Africa).

BMV embraces all opportunities for local, national and international networking with like-minded colleagues to research and observe best practice, innovative school models, and build Business Manager Leadership capacity. This includes the Deakin University Graduate Certificate of Education Business Leadership qualification available to Business Managers.

We aim to ensure that professional standards are enhanced and maintained through the ongoing provision of high-quality professional development and training.

A key strength of BMV is the highly engaging and well attended events provided for members where they are provided the opportunity to contribute to informed discussion and debate. The collegiate nature of these meetings is highly valued by our members.

## Benefits for your Business

A BMV Business Partner Agreement is based on building strong and supportive relationships and is highly respected within the education sector. The establishment of a formal agreement with BMV provides a unique opportunity to engage with a specifically targeted and highly influential audience. The partnership can assist your business to positively build brand awareness, increase demand for products and services and support your team to build trusted relationships. Business Partners receive special acknowledgement and priority at all BMV events.

*“We are delighted to be partners with Business Managers Victoria. Funds provided as a part of this long standing relationship supports initiatives that assist Business Managers and Education Support staff through their professional development and support of their industry association. As we continue to maintain a strong relationship with BMV, we recognise that the support and trust you place in us is the foundation of our success.”*
